Immerse yourself in the enigmatic and creative world of **Astor Piazzolla**, one of the greatest tango composers of our time!

## TU ABRAZO

Show & milonga with **Quinteto Silbando** et le DJ **Martin Lioni**

Choreographed and directed by **Eva Laura Madar**, co-written with **Lola Jeanne Cloquell**, this show fully expresses the inextricable connection between music and dance in the world of tango. On stage, a milonga begins. Past, present and future revel around the dancers. It is the encounter between two beings, from ecstasy to heartbreak. This show is also the result of an encounter between two continents with mixed cultures. On stage, **Lola**, a poet from Martinique, slams her incredible texts.

A successful alliance in a tango show that beautifully illustrates a parable about meeting others and the paths in life that this leads to.

*With the tango dancers **Eva Laura Madar & David Alejandro Palo, Lucila Cionci & Joe Corbata, Sofia Saborido & Dario Da Silva, Mirella & Carlos Santos.***
